Dear Members,

I feel humbled by the trust and confidence that you, my fellow members have placed in me. I thank you. As I begin my tenure as President of this prestigious club, I am fully aware of the responsibilities it brings along.

I take this opportunity to welcome all my colleagues in the committee. I am confident that with the support of these enthusiastic partners, we shall be able to deliver on the promises we made, and the expectations you have.

I have some of my own goals.....improve the quality of service, work on the up keep of the existing facilities and a general improvement in discipline.

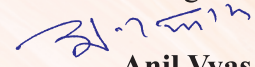

Friends, no task is possible without the co operation of all the stake holders, who in our case are all you honourable members. I not only look for your support, but also your valuable suggestions in areas that you feel need our attention.

This is a very testing period. We need to look after our safety, and also of our fellow brothers. Do please follow the guidelines of the government and the measures put in place by the club management. These are in our own interest.

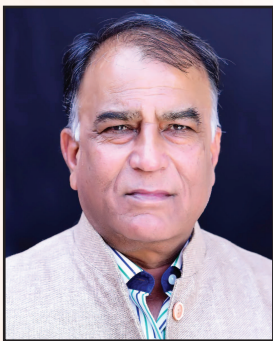

Thank you once again and wishing you and your loved ones very happy and healthy days ahead.
