## From The *President's Desk*

Dear Members,

The forecast of a long and very hot summer season seems to be coming true!! Last fortnight has already seen temperature crossing 42°C. We have two long months before we can expect any relief.

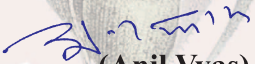

To give Members some entertainment, THE MAY QUEEN BALL will be held on 13th May. Our very senior member, **Shri Rajiv Mehrishi** was recently honoured with the **Padma Bhushan Award** by the President of India. It will be our honour to felicitate him on the 13th. Usual housie evenings will also be held.

Construction of the new building block is in full swing. For renovation work in the Card room, temporary arrangement for players will be made in Annexe hall from the 2nd of May.

Friends, our efforts are directed towards providing a warm and comfortable environment in our Second Home. Your suggestions are important for us. So, please keep drawing our attention to areas where you have concerns. Where you feel your committee has done well.....a pat on our back will do a world of good for our morale.

DRINK LOTS OF WATER AND STAY COOL.

With Warm Regards

  
(Anil Vyas)  
(President)

---

## From The *Secretary's Desk*

Respected Member,

We all experience extreme heat in May, and the temperatures across the country will be soaring. So if you are planning a vacation to a cooler destination, make sure you come back to your second home on weekends and enjoy this month's fascinating events.

We have completed the renovation of the kitchen and given it a new look. This will also help in improving our service. We thank Joint Secretary **Shri Vishal Kaushal**, Ex-officio Kitchen **Shri Mohan Lal Sardana** and **Shri Anurag Biyani** for spending their valuable time on kitchen renovation work.

This month we're also bringing back the most coveted event of the year, i.e., the May Queen Ball. So get ready to attend the hottest evening of the year!

As the Jaipur Club family has grown over the years, the demand for tennis has also increased. The Club converted the grass court into clay courts, hoping to encourage tennis players in the club and help Jaipur Club organize National and International tournaments.

*Contd...*

My aim is to create a consistent environment of trust and transparency among all the members. I will try to put the institutional interest and welfare above all. In doing so, I will need your cooperation, support and guidance, without which nothing can be achieved. Dialogue, consultation and cooperation are the only way forward. We must, together, make the Club a happy and joyous place, free from conflicts or disputes.
