From The *President's Desk*

We are well into April, but rains have kept morning and evening very pleasant. The forecast however is of a scorching summer.

As promised earlier, Members will be able to swim in the newly built swimming pool by the end of this month. I am sure the new facility will be worth the long wait.

We will shortly be coming out with the Members directory, the Who's Who. Those of you who have not yet furnished the details requested for, should do so immediately. Any change in address or other information should also be communicated to the club office.

Jaipur Club was the proud host of the ITF Tournament. Tennis enthusiasts from different cities participated and greatly appreciated the infrastructure and hospitality.

Friends, covid is once again spreading in various parts of the country. We need to be careful and follow the guidelines as they come.

Hope you have an enjoyable summer.

With Warm Regards

(Anil Vyas)
(President)
