**“THE BEAUTY OF THE MONSOON LIES NOT JUST IN THE RAIN
BUT IN THE WAY IT BRINGS PEOPLE AND NATURE TOGETHER”.**

Dear Members,

I hope this message finds you well.

So finally the Rain God has been kinder and the recent downpour has brought in much needed relief from the summer heat and humidity. The signs are looking promising for a bountiful monsoon season this year – an excellent start to what we hope will be a fruitful and enjoyable period for all.

As we move into August, I'd like to remind everyone of our Annual General Meeting scheduled for Sunday, August 4. Your presence is vital as we will be discussing important matters that will shape the future of our club. Please make every effort to attend and participate actively.

Thank you for your continued support and commitment to our community.

Warm regards,

(Manoj Birla)
(President)

From The *Secretary's Desk*

Respected Members,

Despite the unpredictable rain, we successfully organized all the function planned for the month of July. However, the Sooriley event was postponed due to the health of Dr. Saket Mathur. Instead, we organized a Musical Evening at the Banquet which was well attended and enjoyed by members and guests.

EBM in Banquet was organised where selective and exclusive dishes from EBM were served in the banquet. Along with the scrumptious food the members and guests had an amazing time on the dance floor with chart busters from Live Band. Special acknowledgement goes to **Adv.**

Vedant Bajaj (Ex-Officio EBM) for the efforts put in to organise the hugely successful event. A round of applause also goes to the Staff of EBM for preparing and delivering the food and drinks at swift pace to a packed banquet.

It has almost been a year since the present Management Committee took office. A lot of development has been accomplished in the past year and many more projects are planned for the future.

We have introduced the new system in the Club on trial basis. The captain in the lawn, chabutra and family lounge has been provided with I-Pads for taking the kitchen orders and KOT will automatically be generated in the kitchen. This will help reduce the time taken to process orders. Additionally, we are going to introduce a fast tag system into the Club. We will send two fast tags to each member in next 15-20 days. Vehicle entry will only be allowed through fast tags.
