From The *President's Desk*

Respected members,

I hope you all had a wonderful festive season and enjoyed the celebrations with your loved ones. The Diwali Bumper Housie at JCL was truly the highlight of the month and turned out to be a grand success. With prizes worth an impressive Rs 15 lakh, the excitement in the air was palpable. This year, we also increased the number of houses to ensure that more of you had a chance to take home something special, and it was heartening to see so many happy winners.

My sincere request to all members and their families is to please understand that the rules stated in the Club By-Laws, framed by the Management Committee under Clause 41, are designed in the collective interest of all of us. We should therefore make every effort to follow them diligently so that our Club truly feels like a second home. In our own homes, we naturally follow certain traditions and conventions to maintain harmony and bonding. The same spirit is expected here as well. This ensures that no member or guest faces discomfort due to unruly behaviour.

Going forward, once every quarter, you will see a dedicated page highlighting important rules and regulations to be observed while visiting the Club. Please note that ignorance of these rules cannot be considered a valid reason for flouting them. I am confident that your wholehearted cooperation will make our second home not only the best in the city, but one of the finest in the country.

As we now step into the cooler winter months, let's continue this spirit of warmth and togetherness. Do take good care of yourselves and look forward to more fun-filled events in your second home in the coming weeks.

Warm regards,

(Er. Ajeet Saxena)
President
