President's Desk

Dear Member,

Season Greetings from all of us here in the Management Committee!!

At last the Rain Gods have smiled on Jaipur and given us relief from scorching heat. We in the club had our own spell of rain, thank you for participating in "RAIN DANCE" in good numbers. Your presence in every function in club gives us a lot of encouragement to organize better functions. Please bear with us in this season if it rains on a busy evening because it can cause some inconveniences.

Thanks you observing Bar timings. We also plan to introduce Biometric Smart card in near future and we solicit your co-operation in use of these.

With Best Wishes

Secretary's Desk

Respected Member,

We were given some relief in the form of rains in July, and I hope the Rain Gods continue to shower their blessings on us this month as well. This is why we have fewer functions in August, but they will all be action-packed.

But first, some pieces of news from JCL. Our rain dance in July was a highly enjoyable event where members not only got some respite from the scorching heat but also enjoyed Molly Moo ice-cream on the house. I'd like to thank Mr Sachin and Mrs Shweta Khurana, the owners of Molly Moo, for this treat to our members. They also served their ice-cream and sponsored gift hampers during one of our housie evenings.

As notified earlier, the LED boom barrier has been installed at the exit gate to prevent unauthorised entry from there. A proper dining space with a capacity of 15-20 people has been created near the food station for our staff members.

From September 1, entry of members in the Club will only be through a Biometric Smart Card, and the same will be applicable for entry of vehicles inside Club premises as well. The cards for most members and spouses had already been provided by the previous Management Committee, but if you don't have one, please submit a photo in the club so it can be made. From August 16-31, we will run a trial for the same.

I am thankful to all the members for their wholehearted support in observing the bar closing timings as 11pm. Also, please note that in the card room, family lounge, bar, and billiards room, only dry snacks can be served. Recently, it's been noticed that some members are ordering full meals there, which is not permitted.
