Happy New Year, Everyone!

Hope you all enjoyed the Christmas celebrations in the club on 22nd December 2018, along with your family.

Now, as on January 1 we turn our calendars over to begin a new year, an annual ritual that often brings thoughts of re-commitment, fresh starts and new possibilities.

Wishing all the dear Members a very Happy and Prosperous 2019 !!

You all will be glad to know that we have introduced many new exiting dishes in the EBM and the initial response to this is overwhelming. We are further working on the introduction of more dishes in the EBM and I am sure that all of you will enjoy the same with your family and friends.

Now that the chill is in the air, please enjoy your visit to the club for new cuisine & indulge your taste buds in an ambrosial meal prepared by our creative Club Chefs.

I am highly thankful to my entire Management Committee for putting in their hard work and upgrading the overall standard of our club day by day.

Dr. Satish Bhardwaj
(President)

Respected member,

Wish you a very happy New Year. I hope 2019 has great things in store for you and your family, and may you get everything that you desire. As always, we plan to make this year at JCL as special and unforgettable as the preceding years, and have already started working towards that end.

Before we talk about what January at JCL would be about, let's take a look at the month gone by. The Sunday Brunch and Winter Lunch are soon becoming the most popular events this season. The food and ambience have been massively appreciated by everyone and I'd like to thank **Dr. Saket Mathur** for the efforts he's put in to make them a grand success.

This Christmas function was a huge hit with kids and adults alike. When Santa Claus, the main attraction, entered in an open red car, the kids could not be stopped from wanting to meet him. The Club also distributed gifts to the first 125 kids, which made them very happy. The décor and the entire vibe of the evening was highly appreciated and everyone danced to the live band and the DJ in celebration. **Mrs. Ranoo Shrivastava** and **Shri Sanjay Pabuwal** deserve a special mention for this even.

I'd like to bring to your notice that the family lounge is being refurbished with new tapestry, and paint work.

It has been observed that in spite of repeated requests to pay monthly dues on time, a lot of outstanding bills are still pending against members and they do not take notices issued in this regard in the right spirit. The clause 26 of Club's by-laws is being reiterated here so that members are aware of the procedure to be followed in case there are any outstanding dues.

CLAUSE NO. 26 OF CLUB BY-LAWS / RULES

- (c) Even after the expiry of 15 days from the service of final notice, the member fails to pay the dues; the matter for termination of membership shall be put before the Managing Committee for consideration.*
- (d) The membership of a member shall be terminated if decision to this effect is taken by the Managing Committee by the $\frac{3}{4}$ majority of the total number of members of the Committee. The decision so taken shall be final and binding.*
- (e) The Honorary Secretary shall intimate about the decision of the Managing Committee to the member concerned in writing.*
- (f) However the member will be entitled to apply afresh after making payment of all his dues.*
