Dear Fellow Members,

The New Year's Eve celebrations at the club were not only a great sendoff to 2018 but an awesome start to 2019. Congratulations to the programme Committee and kitchen team for organising this event in such a wonderful way.

This month of February will witness the Valentine Day as well as Member's Night programmes, which are the most awaited events in the year. I would like to take this opportunity to wish you and your loved one(s) a very happy Valentine's Day in advance.

We have recently refurbished the family lounge, the photographs of which are enclosed in the newsletter and hope that you all will enjoy the refurbished family lounge with your families. I take this opportunity to thank **CA Pawan Parashar** for all the help extended in this endeavor.

We now look forward to seeing you all on Member's Night and would like to request one and all to kindly enjoy this evening only with your spouse and not to embarrass us by bringing children on Member's Night.

With warm Regards

Satish Bhardwaj

Dr. Satish Bhardwaj

(President)

Respected Members,

If the first month of the new year at JCL is anything to go by, we're going to have one rocking, eventful year ahead.

In the same spirit, we bid adieu to 2018 in the Club with much fun and fanfare. My special thanks are due to the members, their guests, and the JCL service staff, who ensured that New Year's Eve was a smashing success and went off in a smooth manner, despite being one of the most popular and talked about events of the city.

For the evening, all the food was prepared by Club's kitchen staff – chefs **Shri Rajender** and **Shri Gopal**, along with their team of cooks, deserve an applause for their delectable dishes. On the administrative front, all three managers, **Shri Narender**, **Shri Munish**, and **Shri Bhagwan Sahai**, were extra vigilant and contributed to the evening's success. Last but not the least, the entire Club office staff, including **Shri Gajanand**, **Shri Sanjay Saini**, and **Shri Praveen**, needs a special mention for the efforts put in by them.

I would take this opportunity to thank the sponsors of this event. My colleagues of the Management Committee, especially **Dr. Satish Bhardwaj, Shri Ashok Baheti** and **Shri Hemanshu Sehgal**, along with the members of the function committee, especially **Mrs. Ranoo Srivastava, Shri Sanjay Pabuwat** and **Dr. Saket Mathur** made this function a grand success.

The Lohri function kicked off the festivities of 2019 with traditional Punjabi décor and a dhaba ambience, and the dance troupe from Jalandhar added to the whole charm. The beats of the dhol and the DJ made sure that no one could stay away from the dance floor.

On the afternoon reserved for Kite flying, the Weather Gods were on our side, so people enjoyed pheni and ghajak, and of course the Sunday winter lunch, which has become a smash hit, while flying kites that were provided to them by the Club. I'd like to appreciate the efforts put in by Dr Saket Mathur for making the winter lunches such a success.

In other Club news, after the refurbishment of the family lounge, the children's room is next on our agenda.

KHAU GALI IN JCL

For the next one month, we have a special new attraction for all the foodies at JCL. A Food Gully will be set up every weekend in the coming month with lip-smacking street food from original vendors. Come and enjoy some of your all-time favourite dishes in the comfort of your Second Home.

The Jaipur Club's sports committee organized a 20-20 cricket match between **President XI** and **Secretary XI**, of which the first match was played at railway grounds on 27th January, 2019. President XI won the toss and elected to bat. Even though Ajeet Saxena demolished their top order by taking three wickets for just 15 runs, they managed to score 145 runs, especially due to the gutsy 44 runs by Shri Gurmukh Singh, and won the match by 15 runs. The highest run scoring batsman was **Shri Gurmukh Singh** and the highest wicket taking bowler was **Shri Naveen Bhansali**.
