From The Secretary's Desk

Respected Member,

The heat is relentless, but so is our commitment to making this a great summer at JCL. The month gone by is a shining example of the same. With a magic show performed by **Tarun Khemnani** of **India's Got Talent Fame**, we managed to surprise and entertain the kids of our members in an enthralling evening. The magician managed to capture everyone's interest right from the start and was so skilled that he'd submitted the results of his quizzes and tricks in the beginning. Each time people compared them and found them to be correct, we were all in shock and awe!

The AGM was successfully conducted and the annual accounts were passed. I'm thankful to the members who attended the same. **World Yoga Day**, which falls on 21st June, was celebrated in JCL, where several yoga enthusiasts were in attendance and started their morning right, something that we should aspire to do every day. Our member **Shri Shishir Sarraf** sponsored the T-shirts for all the people present, along with a lavish breakfast. Our very senior member **Shri R.D. Baheti**, who is the founder of the Lions Club, Yog Parishad of Rajasthan, and the Hasya Club, entertained people with his insightful musings. Also, **Shri Paramanand (Ajay Mittal)** and **Geeta Makhija** of the Sun To Human family gave health tips to the members and explained ways to control lifestyle diseases such as diabetes, obesity, thyroid, BP, etc with the help of healthy food.

But the biggest programme for June, or for the past several months perhaps, was **Antakshari**. With six teams of 10 participants each, a spirit of healthy yet fierce competition took over JCL as members and their spouses rehearsed, learned lyrics, quizzed each other, and geared up for the game show. The hosts who conducted the show stunned everyone with their knowledge, the live band added to the fun of the evening, and ultimately the entertainment value of the programme was off the charts! We had also created different pavilions for supporters of the teams, and their loud and cheerful participation added to the spirit of the evening. As always, **Shri Dinesh Agarwal** of M/s. **Ceramic Tableware** gave gift hampers to all 60 participants.

And, finally, my regular appeal to collect biometric cards seems to not have had any impact. Despite repeated reminders, most of the members have still not collected them. Please note that from July 15, 2019, that will be the only mode of entry the Club, so if you haven't already, please collect your bio metric smart card from the Club.

If there's anything that can save us from this sweltering heat, it's the monsoon. But while we wait for it to reach Jaipur, we can set the mood with the Club's annual rain dance! The perfect reason to dance it out, our monsoon bash will compel you to swap your AC rooms with the dance floor for the night.

SOORILEY OF JCL

Saturday, 27th July, 2019 (8:30 PM onwards)

In keeping with the somewhat musical tone of our summer, the long-awaited event SOORILEY is back, but this time we're going to take it a notch higher, and get our singers to perform with a live band. Interested members are requested to register their names at the Club reception up to the 10th of this month. The first meeting with musicians to finalize the songs is proposed to be held on 12th July.

We propose to have at least three live rehearsal sessions at the Club with the musicians before the event. For any queries, please contact Dr. Saket Mathur or Dr. Kuldeep Sahai, Ex-Officio, Music.
