From The President's Desk

Dear Member,

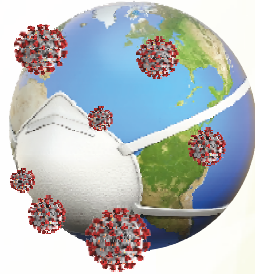

I am communicating with you all after a gap of nearly 4 months. The World, our lives, our businesses or professions have gone a sea change which we could never imagine can happen. The club has been also very badly affected, after 4 months we have decided to open the Club on Wednesday the 22nd July. Looking at the seriousness of the disease and the chance of spread by human contact it involved a lot of planning and we have formulated certain rules and etiquettes for members to follow as respect to other members who are going to using the club along with us we expect the members to follow them, any BREACH will be treated as serious offence.

Please remember the Well being of others also depends on our behaviour.

We expect full compliance with the guidelines.

Wishing all the members and their families good health. We have made all efforts to come out this torrid period.

With Warm Regards
Satish Bhardwaj
Dr. Satish Bhardwaj
(President)

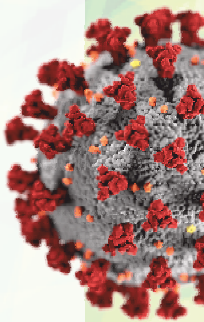

From The Secretary's Desk

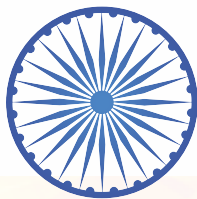

Respected Member,

The Club has been shut as per the government guidelines to combat COVID-19 for a long time. In the last few months, all of our lives have completely been turned upside down because of the pandemic, but I hope that you and your family are safe and staying home as much as possible. Please wear masks and take all the necessary precautions, because the only way we can beat the corona virus is by taking preventive measures and keeping not just our but also our community's health in mind.

In keeping with our social responsibility, **JCL also donated Rs. 11.00 lakh to the CM Relief Fund to combat COVID-19.** Most of our members generously contributed Rs. 1000 towards this cause, strengthening my belief that JCL members are second to none when it comes to serving the community in times of need. I thank all the members who have generously contributed for this noble cause.

As you know, the government has now allowed us to open the Club. **The Management Committee has unanimously decided to open JCL from July 22nd, 2020,** with all the

guidelines in place. But before that, let's take a look at the last time we were all at JCL together, during the functions held in March.

Rang Barse, our Holi celebration, was a vibrant and colourful affair, with the first 125 families in attendance getting a special gift. The live performance by singer Indira Naik and her band, folk dancers, and other artists kept the members and their guests entertained all evening. I'd like to thank **Sh. Sanjay Pabuwal** and **Mrs. Ranoo Shrivastava** for their efforts in organizing this event. The *chaat ki haat* was also a big hit that evening. **Dr. Saket Mathur** deserves a round of applause for the same.

On the occasion of International Women's Day, a cricket match was organised for the female members and spouses of the Club in our Cricket Centre. We saw enthusiastic participation from all the ladies and the 35-odd participants were divided into two teams – President XI and Secretary XI. The former was captained by **Mrs. Tanya Kaur** and the latter by **Mrs. Meeta Saxena**. Secretary XI, after winning the toss, elected to bat and scored 156. With a major contribution by the captain and some great hitting by **Mrs. Ishita Rawat**, they managed an easy victory. My thanks to **Sh. Gurmukh Singh** and **Sh. Abhishek Saraogi** for organizing this match. The names of both the teams' members are as under:

Secretary XI – Meeta Saxena (Captain), Archana Dalmia, Deepa Mathur, Divya Porwal, Ishita Rawat, Lata Bajoria, Mamta Mehta, Manju Purohit, Manju Sahai, Meenakshi Sharma, Mitali Asthana, Monika Grover, Mukta Maini, Raveena Prateek, Reema Motwani, Ritu Meharda, Ruchi Bhandari, Sanjana Sharma, Vidhya Dhoka and Yera Patel.

President XI – Tanya Kaur (Captain), Anu Jain, Apeksha Sarawgi, Himalini Solanki, Inga Sardana, Kalpana Purohit, Nidhi Patni, Poonam Sharma, Pushpa Patel, Rakhi Kankaria, Rama Parwal, Reeta Dasot, Richa Chattani, Richa Gang, Shilpa Gupta, Shilpi Duhan, Shubhra Sharma, Smriti Sharma and Vandana Khandelwal.

The EBM Night held right before the Club shut down had an exciting performance by singer Pragya from Delhi, which was enjoyed by one and all. The evening was a huge hit, thanks to **CA. Pawan Parashar**.

REOPENING OF THE CLUB

Wednesday
22nd July, 2020

By the grace of God, the Club is now being reopened. However, certain guidelines have to be strictly followed to reduce the risk of COVID-19. We have taken proper measures to make the Club safe and ensure that the risk is minimized.

The advent of the pandemic has mandated the need for constant disinfection especially in high touch public and domestic areas including restaurants, bars, office etc. Despite constant disinfection, regular touching can re-contaminate the sterilized areas quickly thus keeping the risk of infection high since conventional disinfectants, although effective act only for a short time period as once the disinfectant evaporates, the surface is subjected to microbial re-contamination with an infected touch.

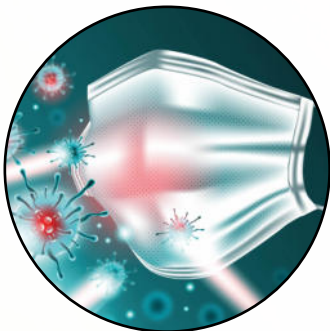

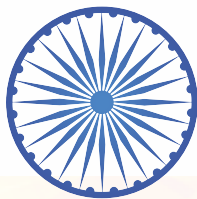

Therefore, we have used COVIDCOAT, a proprietary disinfectant formulation that forms a long-lasting anti-microbial coating on surfaces. COVIDCOAT is a high-performance disinfectant coating that synergistically combines release killing, contact killing, magnetic attraction and Non-fouling nature which makes the coating a lethal weapon to kill microbes/viruses at all times, non-stop, 24×7. When sprayed to any surface antimicrobial activity remains effective for 90 days. Daily cleaning of COVIDCOAT-protected surfaces with cloth and water/detergent will not remove the protective layer. It is also safe for everyone, from newborns to adults. This has been subjected to ATP/SWAB testing, which is a globally used tool to measure the level of contamination by detecting the presence of Adenosine Tri Phosphate. It has been certified by the National Accreditation Board for Testing and Calibration Laboratories (NABL), which is a constituent board of the Quality Council of India.

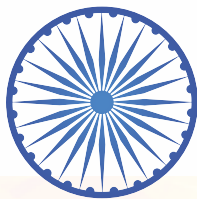

We are also taking the following measures for your safety and it is in everyone's best interest to respect these guidelines and follow them to the tee.
