## From The President's Desk

Dear Member,  
As we draw curtains to the tenure of 2018-2020. I salute the JCL fraternity for its love, affection, co-operation and suggestions.  
On a personal front, I have tried to manage the affairs of the Club as my own home. During this term, I and my team tried to give you our very best, although we faced lots of challenges and hurdles due to the Pandemic, however we as a team did our best for the safety of our Members and gave priority to well-being of you all more than anything else.

I would like to take this opportunity to place on record my appreciation and gratitude to Vice President **Shri Ashok Baheti**, Honorary Secretary **Er. Ajeet Saxena**, Joint Secretary cum Treasurer **Shri Hemanshu Sehgal** and all my colleagues in the Management Committee, for their whole hearted co-operation and support.

With Warm Regards

## From The Secretary's Desk

Dear Member,  
As the curtains draw on the six years of my tenure as the Honorary Secretary of Jaipur Club Limited, I cannot even begin to express the gratitude I feel towards you for supporting me and my team in all my endeavors for the betterment of JCL. Your relentless faith in my abilities has been a huge reason for my successful tenure.

As this is the last circular being sent out by the current committee, I'd like to take you through the major highlights of the last few months. After shutting the Club due to the lockdown imposed by the government on 22nd March, 2020, it was reopened on 22nd July, 2020, and thereafter only one function was held in the month of August –the Independence Day celebrations. Though we took all possible precautions and adhered to COVID protocols, as declared by the government, the fallout was understandably very low.

Thereafter, night curfew was imposed by the government and the Club was hardly functioning. To generate revenue, we started taking orders for home delivery, and your enthusiastic support made this effort a huge success.

Later, after the span of almost four months, we celebrated Christmas and the presence of a large number of our members encouraged us to go forward with the New year Sneha Milan during the day on 3rd January, 2021. On this occasion, we tried a new concept to maintain social distancing, and organized breakfast in the morning, lunch in the afternoon and tea in the evening so that members could come in at different times and exchange greetings for a happy New Year. The live band added even more charm to this celebration and compelled members to dance it out!

Lohri celebrations were held on a Sunday afternoon over winter lunch, and the holy pyre was lit in the evening. The Sunday Winter Lunches, which later turned into Sunday brunches as the temperature rose, continue to be one of our most successful and talked about events.

Though the elections were supposed to be held in June 2020, due to the lockdown, night curfew and strict COVID protocols, we had to postpone them. Now, the AGM and the election for the members of the management committee for the year 2021–2023 will be held on Sunday, 7th March, 2021.

This is the first time that elections are being held during the day so that social distancing norms can be followed properly and members aren't worried about anything while coming to vote for the candidate they believe in. I take this opportunity to convey my best wishes to all the candidates. May the best ones win! By the time this circular reaches you, the new committee would have taken over the affairs of the Club and I hope that they will work in the interest of JCL and its members to the best of their abilities.

I wish you and your family a very happy Holi! May the colours of this festival add love and laughter to your life every day!
