From The *President's Desk*

Dear Members,

April is giving the feel of what to expect this summer.....touching 40° already!!

Keeping our promise of providing a cleaner and more hygienic atmosphere, the club kitchen has been upgraded with new equipment and the entire area has been given a new look. Your feed-back will help us in attending to things that may have been over looked.

As you may have noticed on your recent visit, the area in front of the *chabutra* is being grassed afresh. This area should be ready by this month end.

For the tennis lovers, new clay courts are fully operational.

Dear Members, our effort has been to gradually upgrade the existing facilities while simultaneously building new ones for the benefit of members and their families. We are also hopeful of having more social evenings for your entertainment in the coming days.

Wishing you and all your loved ones good health.

Warm regards

With Warm Regards

Anil Vyas
(President)

From The *Secretary's Desk*

Respected Member,

The chill in the air has completely vanished, and it's summer time.

In a befitting and colourful ambience, the members enjoy “Rang Barse..” with a live music band. The program was a grand success and was appreciated by one and all.

April would be milder in terms of major programmes, due to examinations of kids, but members can enjoy Housie and live screening of IPL.

for private circulation only
