## From The *President's Desk*

Month of May pushed the temperature upto 44°. Some consolation in the IMD prediction of a good monsoon.

May Queen Ball was a grand success. Members and their better halves enjoyed being on the dancing floor.

Housie evenings, as usual are very popular and well attended.

Card room renovation work is progressing well and should become operational by 1st week of July. New Banquet Hall roof will be laid this month. Your committee has decided to install an electric charger for use by Members to charge their electric vehicles.

Friends, water is very precious, let us all resolve to use it carefully. The soaring weather should inspire us to plant trees and make the environment more healthy for us and our children.

With Warm Regards

  
(Anil Vyas)  
(President)
