From The President's Desk

Dear Friends,

After a hot and scorching spell of summer, rains have brought relief. Hope to have a good rainfall this year.

Members, families and guests greatly enjoyed the Rain Dance program.

The card room is fully operational and the new decor has been appreciated by members. Construction of new building is gathering pace and roof of the Banquet hall will be laid this month.

Jaipur Development Authority has sanctioned laying of the sewer line. Work on it will start after the rainy season. Our senior member **Shri Ghanshyam Agrawal** helped us get the sanction and we are extremely grateful to him.

75th years of Independence is being celebrated and let us all participate by making the **HAR GHAR TIRANGA** Abhiyan a grand success.

Friends, with every freedom comes responsibility. Let us enjoy the freedom by ensuring a clean and green environment around us.

Wishing you all a very **HAPPY INDEPENDENCE DAY**.

MEMBERS PLEASE NOTE THAT...

RAILWAY LAND ISSUE

I would like to draw your attention to one very important issue of Railway land which was licensed to Jaipur Club by Railway through an agreement signed in 1961 between Jaipur Club and Railway authorities. The area of land was 47000 Sq. Feet with an annual license fees of Rs. 600/-. This license fee was arbitrarily increased in late 80's but in 1989 the then Hon'ble Railway Minister was kind enough to fix it at Rs. 3840/- per annum with an increment of 5% every year so that there is no financial burden on the club. This decision by the then Hon'ble Railway Minister was also endorsed by the Railway Board. Since then, the Jaipur Club is paying the fees as agreed every year without fail.

However, in the year 2006-07 the Railway Authorities exorbitantly increased the license fees on the pretext of new Railway land license policy. **It would be worth mentioning that as per that policy, the Jaipur Club is not covered under any category.** Since 2006-07 every Management Committee has denied the demand continuously on the grounds that it is not as per the agreement.

In the year 2012-13 the then Honorary Secretary wrote a letter to the Railway authorities clearly stating that since 300 + railway officers are utilizing the facilities of Jaipur Club without any fees and if they want to settle this amount they should also pay requisite life member fees which is being charged from the life members of Jaipur Club which amounts to approx. Rs. 48.00 crores now.

Now the Railway authorities are continuously issuing notices after notices directing to deposit the cumulative amount of Rs. 7,72,79,471/- and also threatening to take the possession of land, if we do not pay the amount / not vacate their land.

Since, during the last many years the club Management Committee members are continuously pursuing this matter with DRM/GM and other Sr. Railway Authorities explaining them the facts and submitting representation every time that the railway demand is not at all justified. The club management has even approached to the Railway Board to resolve this issue and also submitted representation to Hon'ble Member of Parliament, Shri Ramcharan Bohra Ji in this regard. Shri Bohara Ji had been kind enough to write a letter to Hon'ble Railway Minister, Government of India for considering club's demand sympathetically to resolve this issue.

The Management Committee requests to all the members of the club to use their good offices in helping the Management Committee to resolve this issue. The Management Committee would be grateful to them for their kind and valuable support in resolving this issue.
