From The *President's Desk*

Dear Members,

Greetings !

We have arrived in September; We hope the weather is more pleasant and beautiful.

Since the construction work is in full swing, we have casted the **banquet hall roof**.

A covid **Vaccination Camp** and **Health Check-up Camp** were organized in JCL and a large number of members and staff availed the facilities.

The entire Committee is contributing to the overall development of the Club.

Spending that afternoon on a **picnic** with members was enamouring for me. The atmosphere encapsulated the true feeling of a family Club.

An **Annual General Meeting** has been scheduled for **25th September, 2022**. Please attend the meeting to finalize the accounts.

As always, many fun-filled and exciting events have been planned for you in September.

With Warm Regards

(Anil Vyas)

From The *Secretary's Desk*

Respected Member,

Season's Greetings!

We enjoyed good showers during the last month. Construction work is going on a frenetic pace and we have cast the roof. I and my committee members are committed to completing the ongoing projects within the deadline.

A **medical health checkup camp** was organized at JCL for the benefit of their fellow members, their families and staff. Approximately 200 people took advantage of this camp. My thanks are due to **SDMH**, which sponsored the blood, sugar and ECG tests and gave some handsome discount packages on other tests.

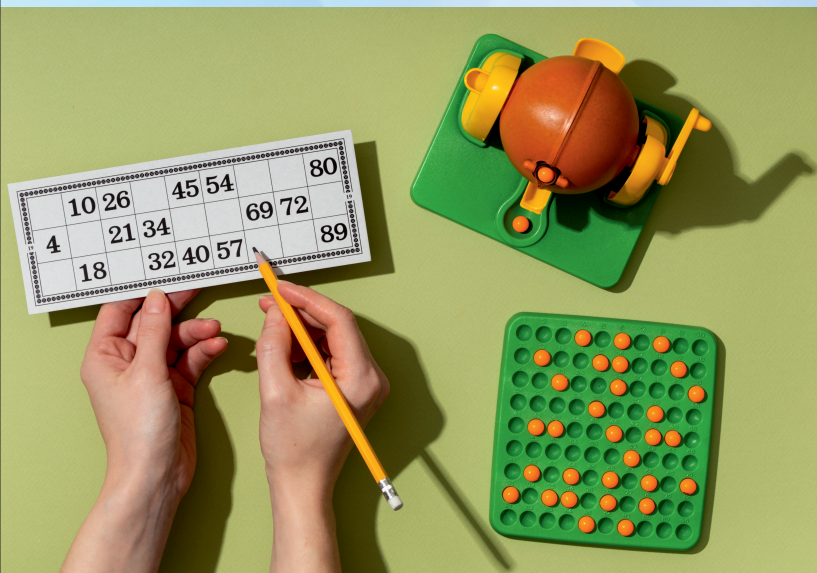

The 75th Independence Day flag hoisting ceremony on **15th August** was witnessed by a large number of members and their families.

The Club Picnic was organized on a real mega scale. An overwhelming number of members took part in the picnic. All age group members thoroughly enjoyed the picnic. Towards the end, a lunch of *Choorma*, *Daal* and *Baati* was served. The food was simply great and delicious.

This month, you will get plenty of entertainment with activities like **September Ball Musical Evening**.

The comfort of the members and the club's progress is my and the committee's only priority.
