## From The *President's Desk*

Dear Members,

With winters around the corner, we at the club are gearing up to make the coming months warm and enjoyable.

Members Night will soon be held and all efforts are being made to make it a very enjoyable night for all.

On the construction front, roof over the “*chabutra*” will soon be laid. A bit of inconvenience is being faced today, but I assure you that soon a newly developed area will be available for you to enjoy.

Laying of sewer line got delayed due to government agencies getting busy during festival season. It will get completed this month.

Our cricket team went to Udaipur on the invitation of the Field Club for a friendly match.

Friends, it is our endeavor to work towards making your visit to the club enjoyable for you and your loved ones. Your guidance is necessary for success in this.

Season Greetings !

With Warm Regards

  
(Anil Vyas)  
(President)
